Dear Valley View Health Center Patient,

It is with much regret, that we must write, to inform you that Dr. Sean Stiltner will be leaving our health care organization. His last day seeing patients, with us, will be Friday, December 20, 2019.

Please be assured that we have several other providers that can care for you and your family's health care needs.

Located at our **Waverly** facility are;

- Ashley Riley and Ali Penn, both are Certified Nurse Practitioner in family medicine
- Dr. Mohammad Ali, Pediatrician.

Located at our **Piketon** facility are;

- Thomas "TJ" Seeley and Kari Parker, both are Certified Nurse Practitioner in family medicine

We place great value in the patient's we serve, and we realize it is very inconvenient to have to switch health care providers. We do hope you choose to continue to put your trust in us.

To schedule with one of our other highly qualified health care providers, please call;
