December 23, 2019

Dear Valley View Health Center Patient,

It is with much regret, that we must write, to inform you that after 16 years of service, at our health center, Anne Nickerson, Licensed Independent Social Worker, will be retiring the end of January 2020. Her last day seeing patients, with us, will be Wednesday, January 29th, 2020.

As of December 23, 2019 she will no longer be accepting new patients.

Please be assured that we have several other counselors that can care for you and your family's counseling needs.

Located at our **Waverly** facility are;

- Stephanie Craft, Licensed Independent Social Worker
and
- Rebecca Hall, Licensed Social Worker

We place great value in the patient's we serve, and we realize it is very inconvenient to have to switch health care providers. We do hope you choose to continue to put your trust in us.

To schedule with one of our other highly qualified counselors, please call; Waverly 740-947-7726

We do apologize for the inconvenience this may cause.

Sincerely,

Valley View Health Centers

In the event that you are unable to travel to our facility in Waverly, we are providing you with a list of three local facilities, that provide counselling services.
